## Pictureproducts Melamine Plate Fundraising

Dear Parents and Carers,

Glenbrook P&C, with the help of the teachers, are running a Pictureproducts melamine plate fundraising activity. Your child's unique artwork is transformed into durable, high-quality melamine Pictureplates that will last a lifetime.

**Children will complete their artworks in class in weeks 8 - 9.** With Christmas just around the corner, children's artwork will be based on a Christmas theme! If you'd like your child to include any photographs on their artworks, be sure to send them in ASAP.

Both decorative and useful, Pictureplates are simply beautiful. Children love eating off their very own Pictureplates, and it is also a fantastic gift idea for grandparents and other family members! Your Christmas shopping made easy!

### What you need to do:

- 1) Decide how many plates you would like to order. Please be aware the students will only do one design; however, you can order multiple copies of that design.

**COST:** \$28 per plate

- 2) Fill out the order form at the end of this letter and return it to your child's classroom teacher by Friday 18th September, 2020. We cannot accept any late orders as we want the product shipped in time for Christmas.

- 3) **Payment:** Online only **BY FRIDAY 18th SEPTEMBER 2020.**

To pay, add up the total due on your order form and then go to: [pay.pictureproducts.com.au/GLECSE](https://pay.pictureproducts.com.au/GLECSE)  
 You do not need to pay for each plate separately, just the total. (Please note a \$1 payment processing surcharge will be applied).

Once your order is completed at the Pictureproducts factory, it will be posted back to the school. The P&C will arrange delivery to students as soon as the plates are received.
