2023 Premier's Spelling Bee

Dear Parents/Carers,

Glenbrook Public School is entering the NSW Premier's Spelling Bee again this year, and it will be held in the school hall on Thursday 29th June, 2023.

This fabulous event allows children who love to spell the opportunity to show off their skills at school, district, regional, and even state level.

We encourage all our students in Years 3, 4, 5 and 6 to enter, however this is optional.

All you have to do is:

1. Give your name and class to Mrs Flaherty by returning the slip below.
2. Go to the web site listed below to download the words in the competition and start practising. You do not have to do anything else on that website, we have already registered. This link will also be accessible from your class google classroom.

The password is: **beehive**

Please note:

- Junior words are for years 3 and 4. They begin at levels 1 and go to level 5.
- Senior words are for years 5 and 6. They begin at level 2 and go to level 7.

Once you have downloaded your list, learn your words and we will see you at Glenbrook's Spelling Bee final on Thursday 29th June, week 10 of Term 2. Stage 2 will have their Spelling Bee at 9.30am and Stage 3 will be at 11.40am, both will be in the school hall.

Parents are welcome to attend.

This activity has the approval of the Principal.

Happy Spelling,

Juli Flaherty
