

AN UPDATE FROM THE P&C

GPS Parents and Citizens Association

Update from the P&C Exec team

Our new P&C Executive team met for the first time last week to start planning an exciting 2024 for our students and community. We have some great ideas so far, but we are always open to new ideas and suggestions from anyone in our school community.

Between the five of us, we have 14 children at GPS and cover grades k-6, so there is a good chance you already know at least one of us. We know not everyone can get to the meetings, but feel free just to say hi and have a chat if you see us around the school gate. Otherwise, see below for is a list of all the other ways you can get in touch.

If you would like to do more than just say hi, we are always looking out for the final members of our team.

Uniform News

SPORTS UNIFORM UPDATE

You asked. We listened - K-6 now have a sports uniform! Last year the P&C asked the school community whether they wanted to extend the sports uniform across all years (it was previously 3-6) and the overwhelming response was YES! So the guidelines have been updated by the school, and we now sell sports shirts and GPS logo sports shorts in sizes 4-16. Sizes 6-16 now available through QkR! (size 4 is currently on back order).

SECOND HAND UNIFORM STALL

The uniform shop is now running a second-hand uniform stall once a term. This will allow us to offer a large range of items and sizes, so there is a better chance of getting what you need.

Our term 1 stall will run during the Cross Country Carnival on the 5th of April.

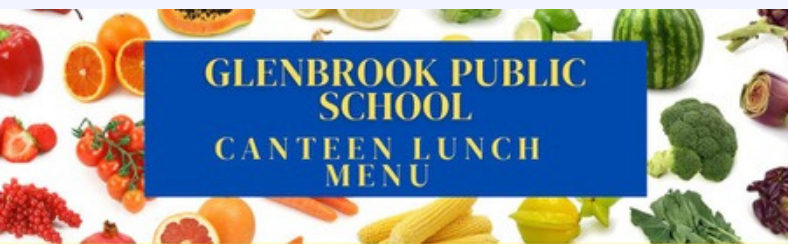

Now is a great time to look and see what your winter uniform needs might be, or to see if you have anything you might have to donate.

Canteen News

Welcome to the new canteen fridge! This has been a long time coming, and we were so happy to finally accept delivery. This is a huge upgrade for our school canteen, and it will help Alison and her volunteers provide fresh food and icy cold drinks for our students and teachers.

Don't forget, we are always looking for new volunteers to add to our roster of wonderful parents and carers who give their time each week. Our canteen can only run with your help so please contact Alison if you're interested.
